

Introduction to Management Accounting Plus MyAccountingLab with Pearson eText (Mixed media product)

By Charles T. Horngren, Gary L. Sundem, William O. Stratton

Pearson Education Limited, United Kingdom, 2016. Mixed media product. Book Condition: New. Global ed. 264 x 214 mm. Language: N/A. Brand New Book. For MBA-level managerial accounting courses. This package includes MyAccountingLab(R). An essential tool for understanding how to make effective economic decisions. In today's troubled economy, it's important to show students how managerial decisions can affect business costs. Introduction to Management Accounting helps to enhance students' ability to make effective economic decisions by encouraging them to understand the inner-workings of the concepts, rather than solely focusing on technique memorization. Overall, this text describes both theory and common practices in a way that will help students produce information that's useful in day-to-day decision-making. This package includes MyAccountingLab, an online homework, tutorial, and assessment program designed to work with this text to personalize learning and improve results. With a wide range of interactive, engaging, and assignable activities, students are encouraged to actively learn and retain tough course concepts. MyAccountingLab should only be purchased when required by an instructor. Please be sure you have the correct ISBN and Course ID. Instructors, contact your Pearson representative for more information.
