This is the reason why, just dreaming up a garden, and visualizing it, whether it is an Alpine Garden, a rock garden, or an ordinary garden needs effort, dedication, and application on your part. Far too frequently, you plan the garden quickly. You have not given the subject adequate thought. You have rushed in the work with lots of haste, and thus making a waste of perfectly good land. The result more or less of failure is going to be a sad and annoying reminder of your lack of patience and technical knowledge. Just imagine that you are making a garden in the same manner in which you are constructing your house. This is a skilled job. You are not going to start building your house, without proper thought, finances, plans, and timescales, are you. You are also going to take the expert assistance of a trained architect and contractors who are more skilled in building houses. In the same manner, many...
