SAGE Publications Ltd. Paperback. Book Condition: New. Paperback. 224 pages. Dimensions: 9.0in. x 6.1in. x 0.6in. I liked this book. Though I am not a family therapist, like most mental health nurses I try to bear in mind the family relationships of individuals I am working with. This is an enlightening text which not only offer a framework with which we can better understand the severe psychopathologies seen in forensic work, but also gives examples of how it may be used therapeutically - Mental Health Practice I think this is an important book that crystallises complex theory into a user-friendly model, using case material and discussions from the therapeutic community. A must have for counsellors working with families, this will form part of the recommended reading on the Family Counselling course - Barbara McKay, Relate Head of Training, Relate News The book provides a good overview of a number of recent approaches to working with families as well as how the author thinks about them - Stephen Bray, Nurturing Potential Roger Lowe achieves the almost impossible task of bringing together various theories, techniques and case examples in clear and accessible ways. Readers of all disciplines, from front-line hard-pressed practitioners to students on therapy and social work courses, will be grateful for the simple and, above all, useful way he tackles the burning questions that arise in working with the family group. Highly recommended! - Harvey Ratner, Brief Therapy Practice, London Family Therapy introduces practitioners to the principles of using a constructive and collaborative approach with families. The approach builds on a strengths-based philosophy and focuses on enhancing family resilience and competence in a way that is both time-efficient and comprehensive. It brings together skills from contemporary models such as solution-focused, narrative and conversational therapies and adapts them to the specific challenges...
