Farrar, Straus and Giroux, 2008. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: " Alphabet Juice is pure Roy Blount Jr. amusing, bemusing, and smart as hell." Fortune " Gracefully erudite and joyous." Katherine A. Powers, The Boston Globe "If everybody's first English teacher were Roy Blount Jr., we might still be trillions in debt, but we would be so deeply in love with words and their magic that we'd hardly notice." The Dallas Morning News "If your eyes have only skimmed over the long subtitle of Alphabet Juice and just vaguely registered that the book has something to do with words, please go back and read the entire subtitle again, slowly. This time listen to the syncopation of the clauses, as well as the alliterative music of the p's and t's, then note the juxtaposition of high and low style ('combinations thereof,' 'innards'), the punchy yet unexpected nouns ('gists,' 'pips'), that touch of genteel sexual innuendo ('secret parts'), and the concluding flourish of the gustatory. Like Roy Blount Jr. himself, his new book's subtitle neatly balances real learning with easy-losing charm." Michael Dirda, The Washington Post "Quotes, quips, euphemisms, rhymes and rhythms, literary references ('Lo-lee-ta') and puns: "The lowest form of wit, it used to be said, but that was before Ann Coulter." Throughout, the usage advice is sage and also fun, since the writer's own wild wit, while bent and Blount, is razor sharp." Publishers Weekly (starred review) "A knowledgeable handbook that is also chock-full of funny, colorful opinions on marriage, movies, and Monet." Booklist "Roy Blount Jr.'s Alphabet Juice a relatively short encyclopedic compendium of English usage pretends to be a practical guide a la Strunk and White or Lynne Truss. But it has more in common with Voltaire's Philosophical Dictionary
