Conditional Futurism

By James Goetz

Wipf Stock Publishers, United States, 2012. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Description: Conditional Futurism introduces a new perspective of end-time theology (eschatology). The book holds to Christian futurism while integrating the Apocalypse of John with the conditional dynamics of prophecy taught in Jeremiah, Ezekiel, Daniel, and various other books throughout the Old Testament. The new paradigm concludes that the final antichrist (also known as the man of lawlessness, the beast, and the eighth king) may read the apocalyptic prophecy of his doom while deciding instead to repent of evil and turn to the Lord, which is a biblical option that would fulfill the divine purposes of the apocalypse. This cutting-edge scholarship also develops new biblical models of angels appearing as humans, the descent of Christ into hell, and the kings in Revelation that incorporate with this end-time theology that encourages hope in all circumstances.

Endorsements: James Goetz leads us on a tour of the whole Bible, from Genesis to Revelation, to explore what it has to say about future judgment and salvation. He well appreciates that biblical prophesies can have multiple fulfillments and takes this into account..

Reviews

This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You wont sense monotony at at any time of your time (that's what catalogues are for relating to should you request me).
