2015. Hardcover. Book Condition: New. 238 About The Book:- This book reveals the thought of Karl Marx and Babasaheb Ambedkar in their real perspective and attempts to compare their thoughts rationally and judiciously. People are in search of a viable philosophy for obliterating injustice and availing sustainable peace, progress and justice. This study would certainly help them in coming to the right decision. However , there seems to be acute dearth of comparative study of their thoughts, which is required for proper comprehension, In this situation, this book would certainly serve the purpose.
