

Venus in Copper

By Lindsey Davis

Cornerstone, United Kingdom, 2008. Paperback. Book Condition: New. 196 x 128 mm. Language: English . Brand New Book. Rats are always bigger than you expect. Marcus Didius Falco, ancient Rome s hangdog investigator, hates sharing a cell with a rodent - though being bailed by his old mother is almost as embarrassing. His highborn girlfriend can t decide if she wants him and Titus Caesar s reward for past services is a wet fish. Hoping for a better life, or at least a better apartment, he takes on new clients. On the elegant slopes of the Pincian Hill, three nouveaux riches freedmen with two flashy wives are under siege by a clever redhead. Severina Zotica has a foul-mouthed parrot, an odd connection with a snake dancer - and a very suspicious past. As he pursues this flame-haired fortune-hunter, Falco finds himself beset by violent rent-racketeers, poisoners, and women without consciences who have dangerous designs on him.
