Reviews

Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE IDEAL As, during convalescence, I lay in long days and nights of thought, the dreams which had come to me in the mountains and in the desert, and in the great inspired moments of life, came to me once more. I was just returning from the brink of death, and the ideas of a lifetime sorted themselves out in my mind. What was real and what was of value stood out in sharp distinctness; what was only of temporary utility or utterly valueless dropped away. I had had a full life, with many varied experiences--as soldier, explorer, journalist, diplomatist, administrator; in India, China, Central Asia, and South Africa, as well as in Europe; and among Hindus, Mohammedans, and Buddhists, as well as Christians. I had had the good fortune to belong to an altogether perfect home. I had had the bad fortune to be very little in it--only eight years of the nineteen before I went out to India, and of those eight only three and a half above the age of five. In Tibet I had achieved an acknowledged success. At other times I had incurred the usual amount of failures and reverses. I had often deliberately faced death, and had now only just escaped it. In the swift current of life there was a check. The waters were still, but deeper. The sediment dropped to the bottom, and the arrested current became clear like crystal. There is at present in...
