DEPARTMENT OF HOMELAND SECURITY: PROGRESS MADE AND WORK REMAINING AFTER NEARLY 10 YEARS IN OPERATION: GAO-13-370T

BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 22 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. Since the Department of Homeland Security (DHS) began operations in 2003, it has implemented key homeland security operations and achieved important goals and milestones in many areas to create and strengthen a foundation to reach its potential. As it continues to mature, however, more work remains for DHS to address gaps and weaknesses in its current operational and implementation efforts, and to strengthen the efficiency and effectiveness of those efforts. In its assessment of DHS's progress and challenges 10 years after the terrorist attacks of September 11, 2001, as well as its more recent work, GAO reported that DHS had, among other things, developed strategic and operational plans across its range of missions; established new, or expanded existing, offices and programs; and developed and issued policies, procedures, and regulations to govern its homeland security operations. However, GAO also identified that challenges remained for DHS to address across its missions. This item ships from La Vergne, TN. Paperback.
