

Sustaining Our Natural Resources

By Jen Green

Capstone Global Library Ltd. Paperback. Book Condition: new. BRAND NEW, Sustaining Our Natural Resources, Jen Green, Our population of over six billion people is putting increasing pressure on the world's resources. So what solutions are there to the many challenges facing the environment today? This series encourages readers to think about what they would do about a range of local and global topics, providing them with ideas, tools, and skills to research and understand difficult questions. Its practical, down-to-earth treatment and case studies will encourage critical thinking and keep students engaged, whilst providing guidance on the information and media literacy skills that are part of the modern curriculum.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
