Reviews

*The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).
(Payton Miller)*

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.In the aftermath of World War II, Germany is divided. Split into two, the East and West, Axis occupation runs rampant in an attempt to restore the country to its former glory. Unfortunately for Petroleum Operator and Cold War Warrior Wurzel and his eclectic gang of charming comrades, serving in post-war Germany doesn't turn out to be the action-packed adventure they'd been expecting. Though that doesn't stop the lads from getting into well over their heads in this personal tale of friendship and loss. For Wurzel and company, it quickly becomes apparent that even away from the frontlines, military life isn't just about looking for girls and regular trips to the local pub, The Hof, but a dangerous and life-changing experience even during peacetime. When one of the squad is lost to a tragic accident while on duty, the rest of the gang are forced to learn this life lesson the hard way, finding comfort in their remaining friendship over the course of this heart-warming and darkly funny tale. A military story like no other, author Mark Keele blends personal experiences with hard-hitting fiction to create a unique wartime short story about comradeship and loyalty. Based on the true experiences of the real Four Nine Replenishment Park Division operating in Germany, Keele perfectly captures a snapshot of history rarely ever discussed in fiction. Brimming with humour, action and humanity, *The Funeral of a Pet Op* focuses on what it truly means to be a post-war soldier, and all the monotony, farce and self-discovery that comes with it.
