Reviews

Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.

(Bernardo Feeney Jr.)

A BEGGAR AT THE GATE

Random House USA Inc, United States, 2008. Paperback. Book Condition: New. Reprint. 170 x 104 mm. Language: English . Brand New Book. Set in nineteenth-century British India, Thalassa Ali's dazzling debut, *A Singular Hostage*, introduced us to Mariana Givens, the Englishwoman who risked everything to save a young Indian orphan from certain death. Now Ali returns to that exotic kingdom beyond the northwestern frontier, where Mariana will come face-to-face with a different destiny. Two years have passed since Mariana left the walled city of Lahore. But she's unable to forget its haunting scent of roses or her ill-fated marriage to a native-born husband that has scandalized Calcutta society and made her an outcast among the English. Worse still, she bears the knowledge that she will be forced to give up Saboor--the boy believed to be endowed with magical gifts whose life she risked her own to save. Now Mariana must revisit Lahore to return Saboor to his family and request a divorce from Hassan Ali Khan. But how can she say good-bye to the enigmatic man whose love defied two cultures--or the child she's loved as her own? As political and civil strife threaten to erupt in violence, she seeks answers in a world no Englishwoman has ever seen. And she's driven ever closer to a secret so powerful that it will change her life--and the lives of those she loves--forever. From the Trade Paperback edition.
