Some examples of that include the Department of Energy recently held workshops for county and local municipalities to train leaders in how to apply for the Energy Efficiency Conservation Block Grants. The Department of Energy also held meetings with local businesses and financial officials to talk about how to make sure small businesses can access their new loan guarantee pro-grams. The Commerce Department, through the Manufacturing Extension and the Economic Development Administration, have held numerous workshops in the auto region to help companies diversify and provide tailored assistance as well as to help regions with their strategic planning. And recently, the Department of Labor convened all the rapid response coordinators throughout the Midwest to make sure that we provide a consistent level of service and to help States with their planning efforts. The administration approach realized that there is no single agency that holds the key to economic growth and...
