Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A proper lady would never steal or lie-nor would she enjoy the sting of her lover s hand upon her posterior. Fortune has frowned upon Miss Katrina Harwood. After the passing of her father and the sale of their possessions, she s found herself at the mercy of London s underbelly, and what s worse, she s now a vital member of the Eastside Den of Thieves, even though she s entirely miserable. Every day is a battle between her morals and the need to survive-and every day takes her further from a solution to her dilemma. During one of her many missions to lighten the pockets of the well-to-do, she finds herself in a precarious position-over the knee of her would-be victim. The impression he leaves on her bottom is one she won t soon forget, or fail to yearn for. During the previous London season , Maxwell Courtland married off his little sister Susannah to an up-and-coming barrister. Now, Susannah is trying to convince Max that it s time for him to settle down, a prospect which he finds completely disagreeable owing to the fact that he cannot abide the women she s chosen for him. When he catches an adorable thief trying to make off with the family silver, he never imagines that a little game of cat and mouse would lead to falling for someone so unconventional and yet so tempting.
