

The Elements of Algebra (Classic Reprint)

By F a Shoup

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Elements of Algebra This book was begun with the hope of preparing something for beginners in Algebra which would give them, in a narrow compass, a philosophical and, therefore, a thorough start in their analytical studies. By adopting a somewhat new arrangement of the subject, it was found that the matter the author had in mind could be presented in such a small space, that he determined to extend the scope of the work far enough to give all that is really necessary to enable the student to prosecute with profit the higher mathematics. This he did the more readily, since he is of the opinion that the further course in Algebra presents rather more difficulties than any other branch of mathematics, and that, consequently, the student at the beginning of his analytical course can derive little real benefit from his efforts to master it. In truth, so far as his information goes, it is generally either omitted altogether, or so little appreciated by the young student, as to be almost lost labor. It...
