JOB INTERVIEWERS: GET INSIDE THEIR HEADS

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Get Inside the Heads of Job Interviewers Do you want to know the 40 real questions that job interviewers have on their minds? Well, the secret hides in the reality that there are only four kinds of interviewers. A bigger secret is that savvy people have known about the four classic personality styles for 2000 years, and they have used that knowledge to persuade whole nations to follow them. I use the word secret because most of the rest of us have either not known about the four styles, or maybe we have not discovered how to leverage them properly. Imagine that you will make it easy for job interviewers to like you. Do you know that if you can speak respectfully to just four personality types, you hold in your hand the key to have a powerful persuasive edge over most people? So are you curious about the four types? They are the Careful, Expert, Impulsive, and Idealist. Before you start buying the book, check it out by using the Look Inside feature. Maybe you think the last thing in the world you need is another book about job interviews. THINK AGAIN! None of those books venture inside the heads of interviewers like this. Here, you are learning proven techniques to get your message across attractively. To your interviewers, they will feel you speak magically. To you, you know that you are simply respecting the interviewers values and strengths. You ve already been to interviews, right? Do you worry you are not hired because you are not the right fit? Are you wondering if interviewers might not like you because of your personality? WAKE...
