Grosset & Dunlap, 2004. Hardcover. Book Condition: New. New with remainder mark. The Bobbsey Twins are the longest running series of books for children. The Bobbsey Twins are actually two sets of twins: Bert and Nan, the oldest pair had dark brown hair and brown eyes. Flossie and Freddie were younger with light hair and blue eyes. They lived in an upper middle class neighborhood in the eastern city of Lakeport on Lake Metoka, somewhere in the USA. Their father was a lumber merchant and their mother a housewife. The twins enjoyed wonderful days filled with sunshine and love with their playmates, Grace, Nellie, Charlie and Dannie. Their dog, Snap and Snoop the cat got to go along on many of their adventures. They took trips to the country to visit Uncle Daniel and traveled to the seashore to stay at Uncle William's house. Some of their adventures included riding on a houseboat, camping on Blueberry Island and taking a trip to the west. Each new volume that came out usually had a short summary of the previous adventure. A wonderful series that started 100 years ago and continued in to the 1970's. This is the eighth book in the series. This book is in New Unread condition.
