Reviews

*A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

Zondervan. Paperback. Book Condition: new. BRAND NEW, Avenger, Heather Burch, The Truth Comes with a Price Nikki knew Damon Vessler would not let his prized creation go easily-she simply never imagined the lengths he'd travel to get her back into his clutches and turn her heart toward darkness. A Seeker at her heels, trained on her blood, Nikki flees with Raven alongside her for protection, while Mace and the other Halflings wage the battle that has erupted on earth. But even as the two boys she loves fight for her, she knows the battle will be hers to win. Determined to uncover the secrets of her past, and exactly how she fits into Vessler's twisted plans, Nikki sets off on her own, and soon discovers facing hellacious beasts is nothing compared to the decision she will need to make. One that could change not only the war and her relationship with Mace and Raven, but also her future with the Throne. "Sure to appeal to fans of both star-crossed lovers and Stephanie Meyer." -Booklist "A well-written, thoroughly thought-out, and utterly addicting read." -USA Today.
