BRAND NEW, Living Well with Bad Credit: Buy a House, Start a Business, and Even Take a Vacation-No Matter How Low Your Credit Score, Chris Balish, Geoff Williams, When bad credit happens to good people there "is "something you can do about it. No one is immune to today's economic strife. According to a 2008 "Wall Street Journal" article, 110 million Americans have bad credit-almost 50% of the adult population. In fact, many people facing foreclosure and bankruptcy will have bad credit for the first time in their lives and will not know how to cope. "Living Well with Bad Credit "is releasing at a ripe time. While other guides focus on improving or repairing credit, this informative book puts the emphasis on "living" with bad credit-and living well. Veteran finance journalist Geoff Williams and media powerhouse Chris Balish, an Emmy Award-winning broadcast journalist and author, have teamed up to bring readers: - Usable tips on how to embrace, and even benefit from, a low credit score - Invaluable advice for dealing with 'lifestyle' events such as how to buy a car or qualify for a credit card with bad credit- Interviews with dozens of experts and successful professionals who share ideas on how to live with the negative effects of bad credit- Practical discussion on topics that go beyond finance, such as healing self-esteem and building relationships in spite of bad credit While bad credit can be a setback, it doesn't have to be a roadblock. This expert guide is just the ticket to a better life once again.
