Reviews

Thorough information! Its such a good study. Sure, it is perform, still an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Evie Emmerich)

THE INDIAN QUESTION (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Indian Question The long established belief that the Indian population of the United States is rapidly disappearing, and that the time is not far distant when it will become so insignificant in size, that it will cease to give annoyance to the Government, has scarcely received contradiction until within the past ten years. Among a large portion of our citizens an opinion still widely prevails, that the Indian tribes which formerly roamed over the country east of the Mississippi River, have almost ceased to exist. We are occasionally informed of the sad fate of the nations of the former North-West Territory, or possibly, of the advance in civilization which those small remnants of the Iroquois, and Cherokee nations which still remain with us have reached. The State of Delaware is about to place in his final resting place its only red native, while the summer visitors at Nantucket are shown the grave of the last representative of the original proprietors of the soil of that island. The generation last past, were more firmly convinced of this farming decay, than the people of the present. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
