GRIN Verlag. Paperback. Book Condition: New. Paperback. 16 pages. Dimensions: 10.0in. x 7.0in. x 0.0in. Essay from the year 2011 in the subject Politics - International Politics - Topic: International Organisations, grade: 2, 0, Berlin School of Economics and Law, language: English, abstract: These days Globalization is on everyones lips. Technical progress and international trade connect humanity in a way it was never connected before. We enjoy the convenience of being able to purchase foreign goods in domestic supermarkets; access voices from around the world on the Internet and even travel relatively cheaply to faraway regions ourselves. But on the other hand, we are concerned about domestic companies outsourcing to foreign countries (in order to take advantage of foreign law and labor) and decisions that are made abroad, because we know about the; as Kofi Annan, former General-Secretary of the United Nations, put it in his Nobel Prize speech; Butterfly Effect of human activity nobelprize. org. The inevitable transnationalization of troubles we face today (such as environmental issues like the Global Warming that affect every single inhabitant of the planet, the Global Financial Crisis of 2008, international organized crime groups whose actions cut across national borders and many more) can logically...
