CHIMERA

Little, Brown Company, United States, 2012. Paperback. Book Condition: New. 170 x 107 mm. Language: English . Brand New Book. Escaped Germline soldiers need to be cleaned up, and Stan Resnick is the best man for the job. A job that takes him to every dark spot and every rat hole he can find. Operatives from China and Unified Korea are gathering escaped or stolen Russian and American genetics, and there are reports of new biological nightmares: half-human things, bred to live their entire lives encased in powered armor suits. Stan fights to keep himself alive and out of prison while he attempts to capture a genetic, one who will be able to tell him everything he needs to know about a newer threat, the one called Project Sunshine. Chimera is the third and final volume of The Subterrene War Trilogy, which tells the story of a single war from the perspective of three different combatants. The first two volumes, GERMLINE and EXOGENE, are available now.
