From the tall pines and clear lakes of the north, through gently rolling central farmlands, to the high bluffs and hidden valleys along the Mississippi River, the state is laced with well-maintained secondary roads. Since 1986, when they founded the Bike Wisconsin touring company, Jane and Scott Hall have led thousands of cyclists on tours around their home state. In this book they have selected 28 of their favorite daylong cycling adventures, as well as a bonus chapter recommending their favorite rail-trails. The tours cover varied terrain and feature places of historic and cultural interest and areas of natural beauty. Each tour includes a detailed map; mile-by-mile directions; information on terrain and mileage; trip highlights; and where to find repairs and rentals along the way.

This publication will not be simple to get started on looking at but quite entertaining to learn. It generally fails to cost an excessive amount of. You will not feel monotony at anytime of your time (that's what catalogues are for about if you ask me).
