The Forgotten Gift is a family drama with an element of mystery along the way. Dana and Les Connelly have been married for twenty-five years and have two grown children. Les is in the beginning stage of dementia and has to retire early from his big-city law firm. Then Dana discovers he s been having an affair for most of their happy marriage. While Les tries to figure out what s wrong with his wife, he suffers through giving up his life s work and functioning without his short-term memory. Les is bewildered to say the least. And while Dana decides what to do regarding Les betrayal, she struggles to cope with his illness and keep herself from falling apart. So much stress overwhelms the couple.

The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
